Ways to Earn with Vidiac

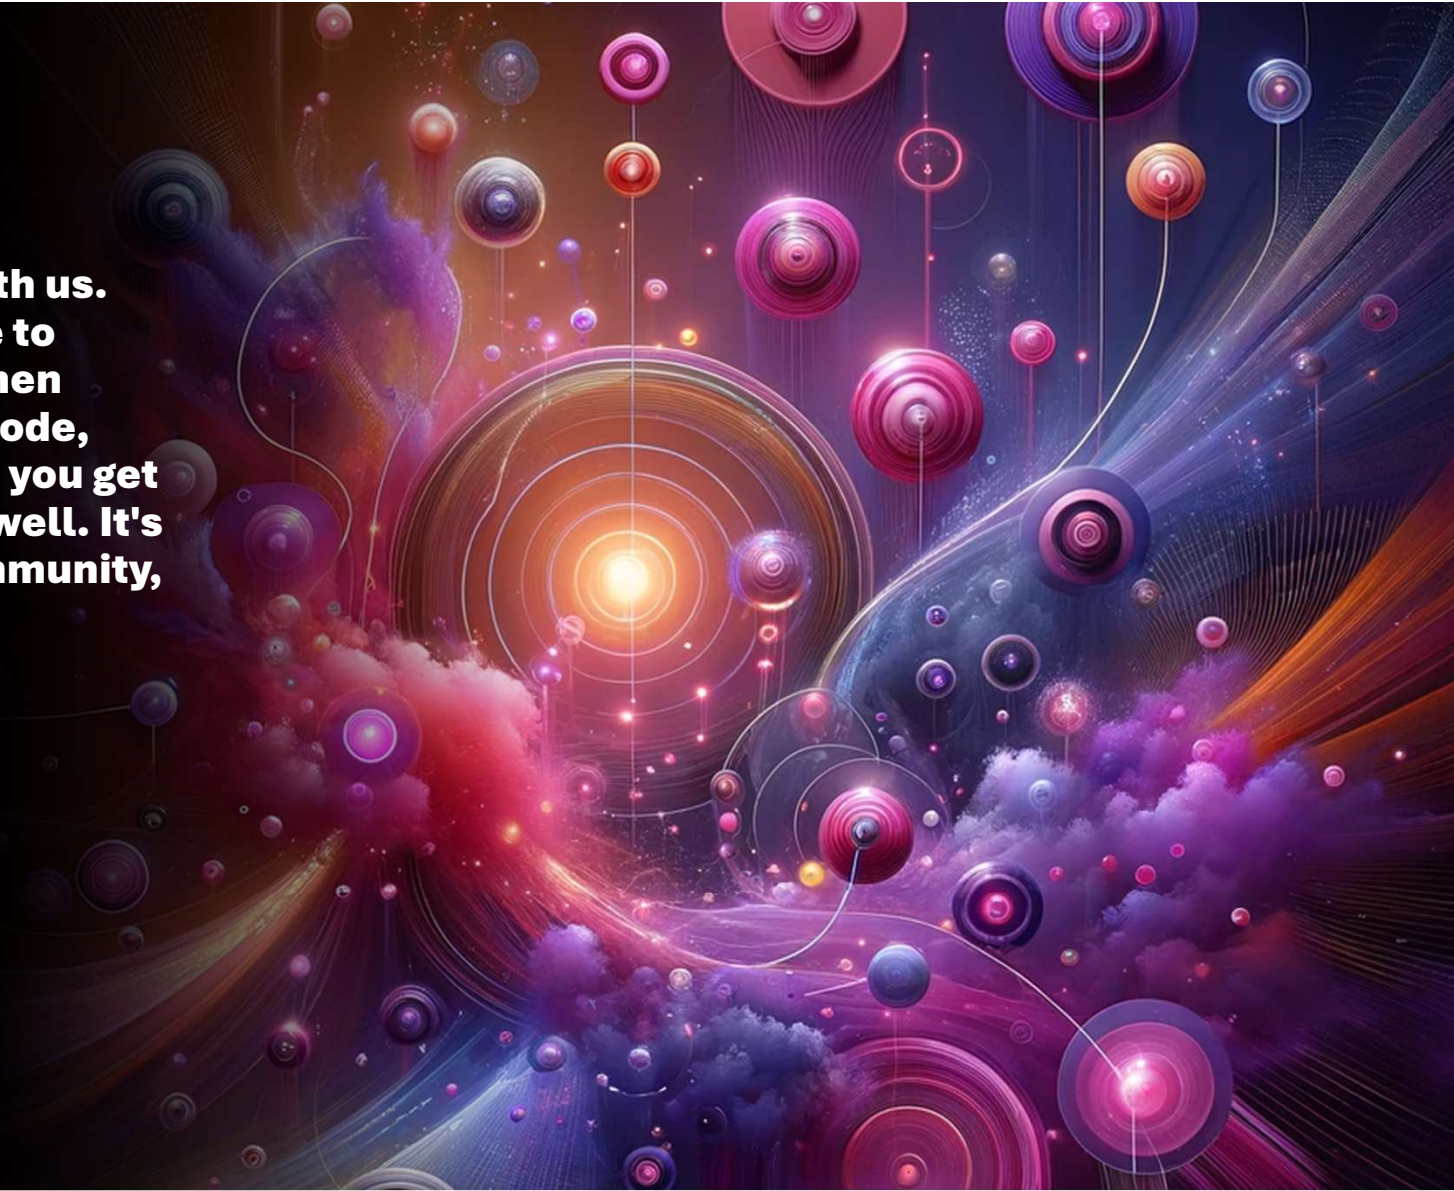

1. Merchandise Sales:

Leap into the world of tangible rewards with your creativity. Sell your branded merchandise on the Vidiac store and watch as the profits are seamlessly converted into VIDI tokens, which are then sent directly to you, the creator. It's not just about earning; it's about expanding your brand's reach and engaging your audience in new and meaningful ways. www.vidiac.shop

2. Referral Program:

Spread the word and grow with us. Create a unique referral code to share with your audience. When someone uses your referral code, they receive VIDI tokens, and you get a kickback in VIDI tokens as well. It's a win-win: you grow your community, and you both earn from the engagement.

3. Holding VIDI Tokens:

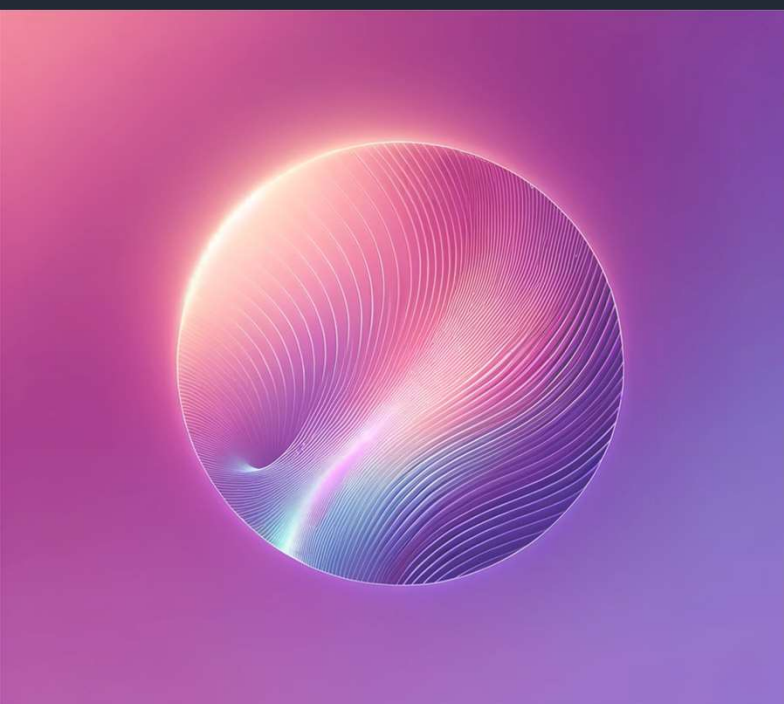

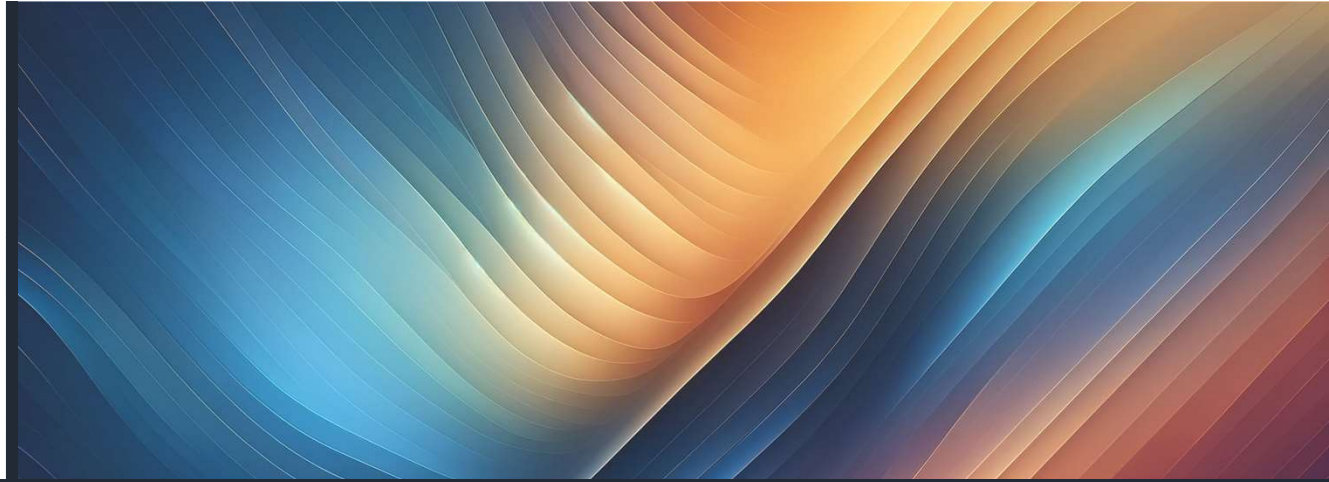

Your investment in Vidiac pays off, literally. By holding VIDI tokens, you automatically earn USDC dividends from the ecosystem's trading volume. The more the platform grows, the more you stand to earn. It's passive income, reimagined for the creative economy.

4. Featured Creator Spotlight:

Shine brighter as a Featured Creator. If you're selected, you'll receive 10% of all taxed VIDI tokens (converted into USDC) sent directly to you. This spotlight not only amplifies your visibility across the Vidiac community but also translates your influence into tangible earnings.
